40 YEAR ANNIVERSARY

ACME FURNITURE

HISTORY OF THE ACME FURNITURE INDUSTRY INC.

In 1969, Mr. George Chen founded Wu Chang Enterprise. He chose the name “Wu Chang” because of his deep love and respect for his hometown and family. In the early days, Mr. Chen rode his motorcycle through the streets and alleys of Taiwan, searching for the best, high-quality products for his customers. Because of the lack of many current technological advancements, he carried and showed samples in person and mailed product information to customers worldwide. Gradually, he built his trading business little by little, all while helping local manufacturing and contributing to Taiwan's blossoming economy.

In 1985, Mr. Chen moved to Los Angeles with his family and founded Acme Furniture. They worked tirelessly to establish their business in Downtown LA. Over time, the company transitioned from general merchandise to specializing in furniture. Mr. Chen chose furniture as the company's foundation because he believed quality furniture creates comfortable homes, and comfortable living conditions bring true happiness. Acme Furniture offers a full range of household furniture, including living room, dining room, bedroom, and home office furniture. To expand the company and give customers the best service, they established warehouses and showrooms over the United States. Mr. Chen runs the company with a goal to keep on developing new ideas to create the best furniture that exceeds their customer's expectations.

Mr. Chen's vision is global. The company's logo, featuring the earth with blue, symbolizes the vast oceans. The name Acme means pinnacle, showing Mr. Chen's aspiration for Acme to be an internationally-revered company.

Acme Furniture remains dedicated to serving our customers with the same passion we had from the start. From starting the business in Taiwan 55 years ago to establishing roots in the U.S. 40 years ago, Acme Furniture has consistently served our customers with zeal. We are grateful to every customer who has supported us along the way.

We aim to achieve mutual success within society and our customers. Our company's worth comes from the value we provide to our customers. We look forward to serving more customers and benefiting the community. We will always do our best for our customers.
