The Beauty of Boucle

Bouclé refers to a fabric characterized by its looped or curled texture, creating a distinctive and textured surface. The term is derived from the French word "boucler," which means to curl. The looped yarns in bouclé fabric give it a unique appearance and a soft, plush feel. When used in furniture upholstery, it adds a touch of warmth and luxury.

Value

Over the years, Acme has been working with many of the same factories in Italy, Turkey, Malaysia, Taiwan, Vietnam, Brazil and of course China. Because of our long-term relationships with these factories, we have been purchasing our products at the most competitive prices in the industry. We are proud to say that in most cases, Acme will be able to beat our competitors' prices.

Quality

Nothing is more important than quality. That is why Acme maintains its own quality control personnel in every country where we do business. Every item must meet our exact standards. Nothing less will do.

Integrity

We are very proud of the growth Acme has realized since 1985. Besides the branches, we also maintain showrooms in High Point, NC & Las Vegas, NV. In addition, we value our loyal customers and the many friendships we have developed with our clientele.
